Abstract
Define all symbols used in the abstract. Do not cite references in the abstract. Page margins for the paper are 1.78 cm top and bottom; 1.65 cm left and right. Each column width is 8.89 cm and the separation between the columns is 0.51 cm.

Keywords
About four key words or phrases in alphabetical order, separated by commas.

1. Introduction, 12 Point, Bold, Left Justified

Technical papers should be 4 to 8 pages long in both MS Word and PDF formats. The pages should be formatted as follows:
- A4 paper size (21 cm by 29.7 cm)
- Times New Roman font, size 11 point for the text.
- Top margin: 3 cm for first page, 1.78 cm for subsequent pages.

1.1 Subheading, 11 point, Left Justified, Upper and Lower Case

Subheadings should be numbered. Leave 1 line before and after a subheading.

Paragraphs should be separated by 1 line. Do not indent

2. Figures, Tables and Equations

2.1 Tables

Tables should be consecutively numbered starting from Table 1, centered and should not be wider than 1 column. Tables that span the entire page width are also allowed.
